CALL FOR PAPER

THE 6TH IEEE INTERNATIONAL CONFERENCE ON TEACHING, ASSESSMENT, AND LEARNING FOR ENGINEERING (TALE 2017)

Overview
IEEE International Conference on Teaching, Assessment, and Learning for Engineering (TALE) is held each year in the Asia-Pacific region (IEEE Region 10). It is intended to complement existing conferences sponsored by the IEEE Education Society, most notably Frontiers in Education in North America (IEEE Regions 1–7) and EDUCON in Europe/Middle East/Africa (IEEE Region 8). The aim of TALE is to provide an excellent platform for both academicians and practitioners to share their experience and knowledge in engineering education at all levels. Both research and practice-oriented papers are welcome in order to emphasize the needs of interdisciplinary collaboration in engineering and education.

Date & Venue
12-14 December 2017
The Education University of Hong Kong, Tai Po, Hong Kong

Topics
Topics of interest include but are not limited to:
- Academic Staff/Faculty Professional Development
- Accreditation and Quality Assurance
- Assessment and Evaluation

Paper submission, review and publication
Prospective authors are invited to submit papers of two (2) to eight (8) A4 pages (including tables, figures and references) in standard IEEE double-column format. Papers will be accepted only by electronic submission through the conference website, from which submission guidelines and a template for papers are available. A blind peer-review process will be used to evaluate all submitted papers.

All accepted and registered papers that are presented at the conference will be published in the conference proceedings (CD-ROM/USB with ISBN), submitted for inclusion into the IEEE Xplore digital library, and submitted for potential indexing by other prominent scholarly databases including SCOPUS, EI Compendia, and CPCLI.

Information about submitting your paper can be found under the Authors Menu item of this website (http://tale-conference.org/tale2017/paper_preparation.php/).
